

Are you planning a Youth Group Getaway, Men's Walking Weekend, Church Houseparty, Prayer Retreat, School trip, Staff Team Building Exercise or Family Holiday? Min Y Don Christian Adventure Centre might be the place for you.

Used by a wide variety of folk, including BMS World Mission to train their Action Teams and by Care for the Family to offer Single Parent Family Holidays and my own family for 4 wonderful Easter family holidays, Min Y Don can be many things to a wide range of people. What stays the same is the high quality wide range of activities offered by an enthusiastic, professional and well trained staff. The accommodation is excellent, with comfortable rooms, abundant hot water and good home-made food. All meals and activities are included and it is astonishing value for money. Having arrived you will have no need to get back into the car, or open your purse again (except to enjoy the tuck shop!) All this in the most beautiful location, a 13 acre peninsula on the Mawddach Estuary near Barmouth on the Welsh coast.

Each day starts with (optional) prayer and a reflection on God's greatness and ends with the lovely staff giving a Christian message of encouragement through an epilogue. To my mind though God speaks just as loudly of His love and grace through all that the staff do and the atmosphere of the place.
