# 'Alive & Kicking'

'Alive & Kicking' is a powerful God journey for women of all ages and in all stages of their lives. It's a journey into living shame-free, authentic and courageous lives; knowing who they are and who their heavenly Dad is and how to own their own story and walk in the truth of who they were made to be. It really can be life changing!

If you would like to find out more about Sue and 'Alive & Kicking' go to: [presenceministriesinternational.org](http://presenceministriesinternational.org) to watch her video
