

## Home Mission—telling the story

As well as supporting Home Mission financially, we want to be able to share stories from Home Mission supported ministries with you, so you can pray for them and maybe even organise to encourage them with a visit . Here are some ways you can keep in touch...

**Home Mission Reps** – it would be great if every EMBA church identified a member as a Home Mission Rep with whom we could keep in contact with and who would share Home Mission Stories with their church through the year. Please let Cathy at the EMBA office know who they are and their contact details.

**Home Mission Sunday** – we'd love each EMBA church to hold a Home Mission Sunday once a year. Contact Cathy with the date and she'll put you in touch with one of our Home Mission supported Ministers who will come and share news of what God is doing on their patch. We hope hearing of these inspirational people will encourage you and help direct your prayers for them.

**Social Media** - Keep up-to-date with news & stories. Sign up to EMBA's Facebook page and e-newsletter ( details on back page)

### EMBA Office

C/O West Bridgford Church  
Melton Road, West Bridgford  
Nottingham, NG2 7NF

**EMBA Home Mission**, and sent to:  
PJ Hand, 11 Baldocks Lane  
Melton Mowbray, LE13 1EN

Registered Charity Number -1094457

Supporting  
Home Mission  
Together

## Who does Home Mission Support?

Communities around our nation are being transformed by Home Mission. Grants to churches enable fresh missional forms, creative mission projects and church planting.

Through Home Mission, hundreds of lives have been affected and many have found faith in Jesus.

By working together, we can more effectively support the mission of God throughout the UK.

Giving to Home Mission enables:-

- **Grants to local churches** supporting church planting, renewing local churches and funding mission grants.
- **Regional Associations**, such as the EMBA, who are engaged in missional development in the area, supporting new initiatives and churches and supporting the on-going work of churches and their Ministers and families.
- **Three national specialist teams** who resources churches in their work through legal, ministries and mission support.

## EMBA Home Mission

– your giving to Home Mission directly enables the work of your local Association as they seek to inspire, encourage and resources new mission initiatives across the East Midlands and to support established churches and Ministers in their ongoing mission to those in their communities.

**Your giving to Home Mission allows for these grants to be given:**

**Mission Grants** to fund Ministry in turnaround situations

**Mission Projects Grants** to fund bespoke mission projects

**Mission Micro Grants** to help with the start-up costs of 'off the peg' mission projects.

**In addition, EMBA has a Pioneer Fund which funds:-**

**Pioneer Mission Grants** – to fund pioneer ministry

## How to give to Home Mission

Every Baptist Church is encouraged to give a minimum of 5% of its income or £40 per member to Home Mission every year.

If this were to happen, we would be able to continue to support new and established local churches in their mission and continue to fund your Association as it seeks to inspire and resource churches and missional communities across the East Midlands. It is best for churches to give to Home Mission by Standing Order (details on back page)

## Leaving a Legacy

Many people feel that they would like to remember the mission of

Baptists in their Will. If you are considering leaving a gift in your Will, please contact the EMBA office.
