

In God...in Scripture..in theology...in good practice

Rooted is an expression of the EMBA's commitment to equip ministers and leaders for contemporary ministry.

Each themed day will provide an opportunity to reflect theologically and practically on an aspect of ministry with the aim of developing understanding, insight and skills.

The style will be participative and there will be quality input from experienced and qualified speakers.

Rooted days are offered free of charge, though opportunity will be given to make a voluntary contribution.
