## About Us:

At Bretton Baptist Church, we are a vibrant, growing community that is passionate about fostering spiritual growth and creating spaces where every generation can encounter God in transformative ways. Our mission is to make disciples, impact lives, and lead people to live out their God-given purpose. As we continue to build for the future, we are seeking a dynamic, passionate, and innovative Emerging Generations Team Leader to enable us to inspire the next generation of Christ-followers.

## The Role:

As the Emerging Generations Team Leader, you will be entrusted with shepherding and discipling the children and young people of our church—and equipping them to take their next steps in faith. You will lead and develop a team of dedicated volunteers and staff, creating and implementing vibrant programmes and experiences that inspire, challenge, and equip emerging generations to live out their faith in an ever-changing world.
