

South Eastern Baptist Association are looking for a Regional Minister(s) to join their team in 2024.

If you have a passion for local church mission, a desire to support ministers and want to see churches flourish and grow, you may be just the person we are looking for.

The role will be a blend of general regional ministry responsibilities and helping to implement our new mission strategy by supporting and resourcing churches and new mission initiatives across our association.

We will be looking for an experienced accredited Baptist Minister with a mature faith and history of effective mission and ministry, who is committed to our vision and values.

This is a full-time post, but we would consider two part-time ministers depending on circumstances.

The role & person specifications are available [here](#). Please contact recruitment@seba-baptist.org.uk to request an application pack.

For an informal conversation please feel free to contact ioth@seba-baptist.org.uk.

The closing date for applications is Monday 12 February 2024.
